School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Misassignments of Teachers of English Learners	0	0	
Total Teacher Misassignments *	0	0	
Vacant Teacher Positions	0	0	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: November 2018

McFarland Middle School purchases state adopted curriculum and provides students with the most up to date CA C.C.S.S. adopted curriculum in core and intervention classes. This school year, all students at MMS have been issued their own personal Chromebook for use with their curriculum. All workbooks or course students books are provided for each student to take home for homework and a classroom set is used for classroom instruction, unless work is accessible from their Chromebooks at home. Books and Chromebooks are checked out through the library and are replaced on a regular basis to ensure they are in good repair. If books are lost or stolen, they are replaced immediately so that instruction is not interrupted.

School Facility Conditions and Planned Improvements (Most Recent Year)

McFarland Middle School was built in 1998. It consists of nineteen permanent classrooms and 20 portable classrooms. There is a multi-purpose room, a library, a band room, a chorus room, a physical education building with an attached fitness center, two computer labs, a woodshop room, a home economics room and three science lab classrooms. The school is in excellent condition and passed the Williams Act review with no repairs needed. Three custodial staff keep the grounds and buildings neat clean and in good working order.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	24.0	28.0	27.0	31.0	48.0	50.0
Mathematics (grades 3-8 and 11)	18.0	20.0	19.0	19.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	807	805	99.75	28.36

Students with Disabilities	85	84	98.82	2.38
Students Receiving Migrant Education Services	43	42	97.67	21.43
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	21.6	20.9	14.4

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

McFarland Middle School recognizes the importance of parental involvement in the education of middle school students. Parents are always welcome to involve themselves in a variety of ways that add to the well-being of McFarland Middle School students. For this reason, many opportunities for parental input into the operation of the school and for support of the educational program exist at MMS. Parents can have input into the educational programs at the school by becoming a member of our School Site Council, ELAC, or DELAC committees. Parents are also encouraged to visit and volunteer at the school on a regular, or as on needed basis. Parent conferences are held twice a year and all parents are invited to attend. Back to School Night and Open House are planned and coordinated with the help of teachers, students and parent volunteers. We host monthly Coffee with Principal gatherings during the school day and alternate with gatherings in the evenings. Parents are encouraged to attend Parenting Partners program meetings at McFarland Middle School during second semester. These classes are designed to inform and prepare parents and students towards the need for a college education. To learn more about specific opportunities for getting involved, please contact Monica Daniel, Vice Principal, or our ELAC representative Joanna Medina at 661-792-3340.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

Expulsions	1.2	0.6	0.5	0.3	0.3	0.2	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

The Principal and Learning Director and the McFarland Middle School Safety Team continually review and update the School Safety Plan as needed throughout the school year. Team members periodically attend workshops conducted by the Kern County Superintendent of Schools to keep abreast of current trends and requirements for the School Safety Plan. The McFarland Middle School staff is updated regularly regarding the latest changes in the plan and is provided with a condensed flip-chart of emergency procedures at the beginning of each year. The flip-chart is placed in the classroom for easy access to the teacher.

Students at MMS are provided a planner to help keep assignments organized. This planner also contains, general school rules, our discipline policy, a campus map, names of administration and office staff, school operations plans, our school calendar and bell schedule, attendance policy, dress code, physical education information, health services information, wellness policy, non-discrimination policy, uniform complaint procedures, Williams's uniform complaint and our internet access policy. The school counselor also has group meetings at lunch time with students needing additional help with anger management, conflict resolution or bullying issues. Students are also offered opportunities to participate in a variety of sports at the middle school. Football, cross country, track and field, soccer, baseball, softball, basketball, and volleyball are offered. Students can also choose to participate in after school programs offered at the site.

Average Class Size and Class Size Distribution (Secondary)

Subject	2015-16			2016-17			2017-18					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms

Professional Development (Most Recent Three Years)

Staff development is an ongoing process. Staff are continually provided training and assistance at the district and site level through the use of the Learning Director, our English Learner Coordinator, ELA/ELD Academic Coach and District Technology T.O.S.A. The county office of education offers workshops and/or we send staff for workshops with outside academic experts and or consultants. The schedule allows for 45 minutes each day for grade level teams to collaborate using Professional Learning Communities and Data Teams to monitor student progress and modify curriculum to fit the needs of each student.

Our site has scheduled an early release schedule on every Tuesday with up to 1.5 hours of Professional development as needed and scheduled by the site administration.

Reading and Writing across all disciplines is the focus this year and training Read 180 and English 3D Programs and is being conducted throughout the year by all staff. English and Mathematics Common Core planning time and pacing for full implementation of the new Common Core standards. Units and lessons delivered to students this year are collaborated by the grade level teams. Staff sent to training outside of the district will return and conduct workshops for other staff.

The site will place a high emphasis on ELD Strategies and the 21st century skill building strategies in all core and non-core classrooms along with effective strategies that focus on Checking For Understanding (CFU's). The site will continue to observe and evaluate teachers on their lesson delivery through the use of the Madeline Hunter 5 step lesson plan template.

Besides the 45 minutes each day set aside for collaboration, We will also provide common preps throughout the school year.

All new and probationary teachers will work on completing their required Teacher Induction Program (TIP) training program. Our new teachers are assisted and mentored by our district TIP support providers. They are veteran teachers who will guiding our new teachers during their first two years in the teaching profession.
