

**McFarland Independent School**  
**School Accountability Report Card**  
**Reported Using Data from the 2019-2020 School Year**  
**Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

Vision Statement: McFarland Independent School's vision is to encourage, guide, and support each student to rise to their highest potential in 21st Century skills so that they may be effective communicators, innovators, and participants in the global economy.

Mission Statement: McFarland Independent School's mission is to ensure each student graduates with a high school diploma and is ready to enter college and/or a career technical school.

McFarland Independent School (MIS) is part of the McFarland Unified School District (MUSD), a K-12 district that serves an enrollment of approximately 3,600 students. McFarland Independent School is a small alternative independent-study school where students meet with a certificated teacher weekly. Attendance is based on completed assigned work. Earned credits are determined by assignments completed and unit assessments given by the teacher. MIS is located in the small, rural and predominantly agricultural community of McFarland, population approximately 15,182 according to the estimated 2018 U.S. Census Bureau data. McFarland is located in the southern part of the San Joaquin Valley, thirty miles north of Bakersfield, adjacent to State Highway 99. The main industry of the area is agriculture. Despite the agricultural basis for most employment, the mobility rate remains low which creates a relatively stable community.

Our role at MIS is three-fold:

1. To prepare students academically, emotionally, and behaviorally to return to classes at the continuation or traditional high school with daily instruction or to stay on track to meet the requirement for earning a high school diploma
2. To promote articulation of curriculum and teaching of "same skills courses" that match those at McFarland High School
3. To assist and provide students with the opportunity to attain sufficient credits and appropriate instruction to enable them to earn a high school diploma during a time when daily school attendance is not feasible

There are a variety of reasons for a student to voluntarily choose MIS which may include: personal hardships, pregnancy/parenting, special needs for work scheduling, and as a positive alternative to the larger high school setting for high-risk students. The goal of each MIS student is to earn enough credits to transfer, back on track for graduation, to a continuation or traditional high school or to acquire a high school diploma. The student population is generally considered “transitional”, usually short term and limited to one or two semesters. This enables the student to either make-up missing credits in order to graduate with his/her original class, overcome personal crisis, finish up a work season, or to obtain one-on-one assistance. However it should be noted that a considerable number of students have graduated from this school. MIS is a Dashboard Alternative School Status (DASS) school designed for at-risk/at-promise students. The curriculum of MIS mirrors that of the comprehensive high school in that we follow the same course outlines in order to meet state standards across the curriculum. We routinely confer with McFarland High School and San Joaquin counselors and staff to be sure we are providing for the needs of our students to enable them to return to daily courses or to meet graduation course requirements. We consider the attainment of proficiency level in the basic skills enhanced by technological fluency to be beneficial to successful employment as well as further education and training. MIS staff members are well-versed in technology and are striving to integrate its use throughout the curriculum in all our courses. District continuing support of technology and several grants have provided computers throughout the campus to assist our students in the mastery of skills, research, and the streamlining of their work processes. Each student is also provided with a personal Chrome Book to use for web-based computer instruction available to them outside of regularly scheduled school hours.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: August 2019

McFarland Unified Schools District has adopted a seven year cycle for curriculum framework and standards development for the adoption of instructional materials and texts. The courses of study, frameworks, standards, and curriculum are in alignment with that of the district's comprehensive high school. McFarland Independent School meets Williams Act compliance.

### School Facility Conditions and Planned Improvements

McFarland Independent School is located in the McFarland Learning Center.

This facility is also home to San Joaquin High School (continuation school) and to the McFarland Adult Education Program. Facilities are maintained in a manner that assures safety, cleanliness, and functionality. To assist in this effort, the MUSD Maintenance and Operations Safety Department conducts annual inspections as determined pursuant to a Facility Inspection Tool (FIT) developed and approved by the State of California, Office of Public School Construction (OPSC). The FIT evaluates a school facilities' good repair status with ratings of "good", "fair", or "poor". The results of this survey are available at the school office or at the MUSD maintenance department. In addition to the Williams Lawsuit settlement inspection, the site is inspected annually by the Kern County Fire Department. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. A pest/vermin reporting system is in place and issues are addressed as needed. McFarland Independent School consists of 4 buildings. Built in 1987, the main permanent building houses 6 classrooms, 3 offices, two sets of restrooms and miscellaneous storage areas. Two adjacent portable classrooms and an additional prefab 2-room classroom with restroom facilities was added in 2010. Students have access to two computer labs in the main building however they are encouraged to use their assigned Chrome Books when on campus. Internet access through Wifi is provided throughout the school. . A small soccer field and public library are within the same city block. A custodian cleans classrooms and grounds daily. The buildings are secured and alarmed at the end of each day. An angle-iron security fence secures student areas during school and assists in securing entry to the site when school is not in session. Multiple security cameras are in place and a bell system provides additional schoolwide communication. MUSD District maintenance personnel are always available to respond quickly and remedy the problem related to the facilities.

### School Facility Good Repair Status

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## Career Technical Education Programs (School Year 2019-2020)

Students are provided with Career Technical Education Information through field trips and career counseling. Opportunities to participate in and to complete CTE programs are provided at the local traditional high school for students. Enrollment through McFarland Independent School is typically short term while students are in a transition period. Preparations were made in Spring 2019 to add ten - OSHA 10-Hour General Industry 10-Hour Certifications to course offerings for 2019-2020.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

## Opportunities for Parental Involvement (School Year 2020-2021)

McFarland Independent School strives to create an environment of increased parental involvement. Our administrative team and the entire faculty and staff actively practice an "open door" policy, believing that the school's parents and community members are an integral part of our success. In addition, parents are encouraged to be a part of the team monitoring student achievement. Through the parent portal of the McFarland Unified School District's student information system, Aeries, a parent can monitor his/her student's academic achievement, attendance, and behavior, as documented daily at the school. Parents are given information regarding ELAC and encouraged to participate in the District 9-12 grade ELAC group. At least one member of ELAC is elected to serve at the district level, DELAC. Other opportunities for parental involvement include LCAP School Site Council, Back-To-School Night, Parent/Teacher Conferences, Career Day, field trip parent supervisors, and school/community events to mark significant milestones such as community holiday festivities (representing the school in parades or through community service events) and graduation ceremonies. Parents are also encouraged to enroll in adult education courses held during the evenings at the site.

Opportunities for parent involvement and input include:

- LCAP/LCFF budget development meetings (site and district) Parent Meetings
- Pre-enrollment orientation meeting with teacher, counselor & administrator
- School Site Council/Development of the Single Site Plan for Student Achievement
- ELAC Parent Meetings
- DELAC Parent Meetings
- Back-To-School Night
- Open House
- Parent/Teacher Conference Night
- Parent Conferences as requested by parent/teacher/administrator
- Field Trip Supervision
- Aeries Parent Portal
- Edgenuity Parent Portal

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

| Rate        | School 2017-18 | School 2018-19 | District 2017-18 | District 2018-19 | State 2017-18 | State 2018-19 |
|-------------|----------------|----------------|------------------|------------------|---------------|---------------|
| Suspensions | 0.0            | 0.0            | 2.8              | 2.9              | 3.5           | 3.5           |
| Expulsions  | 0.0            | 0.0            | 0.2              | 0.2              | 0.1           | 0.1           |

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

| Rate        | School 2019-20 | District 2019-20 | State 2019-20 |
|-------------|----------------|------------------|---------------|
| Suspensions |                |                  |               |
| Expulsions  |                |                  |               |

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

McFarland Independent School has a shared comprehensive emergency and safety plan in place using guidance outlined by California Education Code Sections 32280-32289. Students in MIS meet at the same site as San Joaquin High School - the McFarland Learning Center and a plan is in place for the site. The district meets regularly with site administrators to coordinate school and district procedures and policies so that efforts remain viable and constant. A site and district representative attends annual training at the county level in order to stay apprised of updates from the county, state or national level. San Joaquin's Safe School Plan contains policies and procedures to handle school site emergencies. The school uses the SIMS/NIMS (State and National Incident Management System) protocols. Various roles with specific assigned responsibilities for dealing with various types of emergencies are outlined in the plan. The roles include incident commander, public information officer, scribe, logistics officer, planning and intelligence officer, and safety officer. This plan also contains policies regarding student discipline, child abuse, and crisis/emergency response. Site staff reviews and updates the School Safety Plan at a minimum of two times per calendar year. For 2019-2020, the safety plan was reviewed, updated and discussed on 10/10/2019, 10/16/2019, 10/23/2019, and 11/14/2019. An updated phone tree of all staff members are revised each year and serve as a portion of the School Safety Plan. The site facility also has safety drills several times per year where students are informed of emergency protocols and procedures. They then practice steps outlined to insure campus safety..

## Types of Services Funded (Fiscal Year 2019-2020)

Special Education Services - Special education services, guided by Individualized Educational Plans, are provided to Special Education students through a credentialed Resource Teacher. The specially designed instruction is provided at no cost to parents to meet the unique needs of students with disabilities. In addition to core subject assistance, plans are created to assist students with transition from high school to employment and quality adult life.

English Language Development - English learners are enrolled in an ELD class designed to assist students in overcoming language barriers. In addition, all teachers have been trained in ELPD strategies constructed to ensure that English learners can access core curriculum and that English learners are able to participate meaningfully and equally in all educational programs/services. For 2019-2020, MIS plans to transition to Rosetta Stone for daily independent study ELD instruction.

Health and Mental Health Services - A district nurse, a district nurse, and a district-based school psychologist are available to provide services when needed. The district is contracted with a provider to hold 8-week group substance abuse counseling sessions throughout the year. Services are also provided to at-risk/at-risk students who meet AB 167/216 requirements and meet qualifying Dashboard Alternative School Status criteria.
