2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

School Description

Browning Road STEAM Academy is a transitional kindergarten through sixth grade school located in a predominately agricultural community of McFarland. In addition to regular district financial support, Browning Road STEAM Academy also receives Categorical Aid funding from the following state and federal programs: Federal -- Title I. A high poverty level is documented by the fact that 100% of the students are eligible free or reduced lunches. Currently 240 students are designated EL. These indicators of high need for intervention have targeted BRSA a Program Improvement school for many years. Approximately 556 students are enrolled at Browning Road School. There are 22 self-contained classrooms serving TK-6 students. In addition, we have two special education classrooms: 1 is an SDC environment and the other serves our students with IEP's. We also house one pre-school classroom and one state pre-school.

Academy Vision

Browning Road STEAM Academy is committed to engage, inspire, and empower a community of student learners to think critically in a STEAM learning environment that ensures each student achieves intellectual and personal excellence.

Academy Mission

We believe in our responsibility to partner with parents, businesses and integral stakeholders to provide students the opportunity to explore a diverse curriculum, bring service to a growing community, participate in character education and integrate 21st century skills in all content areas.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Every student in Browning Road STEAM Academy has a textbook for Reading, Math, Social Science, Science and all identified EL students have a textbook for English Language Development. Textbooks are adopted in accordance with the state's timeframe and standards. Other additional supplemental materials are either teacher developed, purchased along with the textbook adoption or through teacher lottery money. Instructional material is usually purchased through categorical funds, depending on the availability of funds.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Browning Road STEAM Academy has several opportunities for parent involvement. Throughout the year, there are several activities in which parents may participate. Below are a few activities, events and opportunities that we provide for parental involvement:

20-21 Parental Involvement Activities:

- Back to School Night -- This is an opportunity for teachers and Admin to share with parents their expectations, rules, procedures, curriculum and grade level standards for their child's grade through in-person meetings.
- Parent Conferences -- At the end of the first quarter, staff set up appointments with every students' parents to review their child's report card, share their child's work, address academic/behavior concerns with parents and answer/respond to any questions/concerns that parents may have for the teacher, concerning their child. During the 3rd quarter, teachers and counselor meet with the parents of students who are risk of failing or are below grade level.
- Parent Movie Night- Parents will have the opportunity to participate and share in the incentives for good attendance and for supporting a positive culture. Parents will be invited to campus with the children and enjoy an evening with the family and community.

Lunch with Your Child Day (VLWYCD) - Parents are invited to join a lunch with their child 2 times a year during their child's lunch time. We have fun contests throughout.

Literacy Lunch- Our school will have a school wide reading campaign that will invite parents to have a picnic with their child and will be provided with a free book so they can read together during lunch.

- School Site Council meetings -- The school site council is represented by parents, certificated and classified staff. On a bi-monthly basis, parents and staff are elected by their peers to represent the school in providing recommendations to the school site council members when it comes to programs offered to students and approval of the categorical school site budget.
- Parent Workshops: PIQE is an organization that will recruit 35 parents through a Parent Engagement Program. We will also have PIQE provide a STEAM Program for Families class.

Literacy Night/ Mathematics Night/ STEAM Night

- Christmas Music Performance - Our students will participate in a presentation of Brass and Drum line from all three elementary schools and parents in an evening performance.

Christmas Family Night- We will experience a drive In Christmas Gala with lighting of the trees, resources give-aways and students performing Christmas songs for their peers and parents

- Canned Food Drive -- During Thanksgiving and Christmas, parents are asked to participate in a canned food drive to provide blankets, jackets, socks and shoes for underprivileged families in the communities.
- Pending State and District Guidelines: Spring Festival -- Staff work together in providing a small carnival to invite families and community members for some fun and games, while raising money for student body.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.16	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Browning Road STEAM Academy's first priority is safety. In order to promote safety, BRSA has created a revised set of school rules and has implemented a set of shared values and manners, which all BR members have adopted. BRSA has also implemented a zero tolerance policy for horseplay, which has decreased the amount of aggressive behavior on the playground and in the classroom. BR has also retrained yard duty staff to exercise active yard duty and be able to intervene when they see the early signs of unsafe behavior. Yard duty aides have also been retrained on how to execute crosswalk duty as recommended by local law enforcement. This year, we have piloted the Scan Student Identification Card Authorization (SSICA) texting application for Positive Behavior and for discipline. The goal is that all teachers, yard duty aides, and other staff members use this system to decrease undesirable behavior and increase desired behaviors on campus while keeping detailed records and to be able to make data driven decisions. BRS has implemented updated security measures as it pertains to access of unauthorized persons onto the school campus. For the safety of the students and staff, signs are posted throughout the school requiring all visitors to report to the office. Visitors are required to sign-in at the front office and parents/visitors are only allowed on campus with authorization and a visible name tag. There are signs posted on campus stating that all alcohol, tobacco, and drugs are prohibited on school campus.

This year, the Comprehensive School Safety Plan is being updated and will be presented to the Leadership team and BRSA Parents and staff members on November 17th, 2021.

2020-21 Types of Services Funded

We have several programs and supplemental services available at Browning Road STEAM Academy:

* Supplemental Educational Services have been offered to students who are socially economically and academically disadvantaged, according to CFA and district and site test scores and/or by teacher recommendation at BRSA through Title I funds.

* The After School Education and Safety (ASES) Program, now called CHAMPS (Collaborating Healthy Alternatives Merging Physical-activity and Support-strategies) is now being offered to all students.

* The Family Resource Center FRC also offers various services to the community to help families with food, school uniforms, clothing, referral to outside agencies and resources, and help them to pay their bills, when eligible and funding permits.

* California Mini-Corp also provides supplemental services in the classroom to service our migratory population in class. They provide support in helping student achieve proficiency in language arts and math. We currently have one Mini-Corp tutor servicing over 40 students. Migrant also offers an after school program to eligible migrant students twice a week.

* BRSA will house two tutors from Kern Tutoring and will be here with us daily to provide small group instruction during the day for student that need additional support beyond in class intervention. Students will be selected to focus on computer-based, technological approaches to achieve intrinsic motivation in our struggling students. We will be using Next GEN Math, SPHERO, Vocabulary Tool Kit, SPRK, Lego Robotics, Multi Media Courses: Final Cut Studio Pro X, Adobe Work Shop, etc.

Professional Development

Professional growth activities are planned annually based on current need and input received from staff.

Current and ongoing staff development includes:

STEAM Lesson Plan Design and Implementation by using the 5E Model Descriptors to promote the instructional model that will support learning with inquiry-based questions, experience, research and so students can gain a deeper understanding of science concepts. It is critical that all teachers feel comfortable using this model in every subject.

- School Culture: In the spring semester, we will use two professional development days to revisit the Vision and Mission of Browning Road Steam Academy
- LETRS- LETRS is flexible literacy professional development for teachers that shows teachers how language, reading, and writing are related to one another and other critical elements that are most effective in improving overall reading outcomes.
- ELD Resource Coach provides ongoing support for our English Language Learners through classroom modeling, scheduling professional development workshops, and providing academic support with additional professional development opportunities.
- Teacher created resources linking teachers to free virtual online professional development as well.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
